**Licensing-** In Alberta tags are guaranteed and will be purchased for you in advance. All Alberta hunters require a Wildlife Identification Number (WIN). Only those who have hunted Alberta since 1998 will already have a WIN. Otherwise a WIN can be purchased for you or you can [Click here to download the WIN Application](#)

## Travel Information

### All hunters should fly into the Edmonton International Airport (YEG)

#### **Black Bear Hunts:**

Due to the remote location of bear camp all hunters must arrive Saturday and stay at an airport hotel. Sunday morning all hunters will share a rental vehicle and drive 5 hours north to camp. The rental vehicle will be pre-arranged by us and will cost each hunter \$150us. This is less than half the cost of connecting flights out of Edmonton into most other northern Alberta camps; it also gets you into our camp faster and with more flexibility.

#### **Whitetail Deer Hunts:**

Hunters will be picked-up and returned to the airport or hotel on Sunday at 11am. Camp is a 1hr drive from the airport. We recommend you arrive Saturday and stay at an airport hotel to avoid possible travel delays.

#### **Moose Hunts:**

Hunters will be picked-up and returned to the airport or hotel on Sunday at 11am. Camp is a 3hr drive from the airport. We recommend you arrive Saturday and stay at a airport hotel to avoid possible travel delays.

Uniglobe Geo Travel has regional airline partnerships enabling them to offer the best prices on airfares for hunters. Visit [www.uniglobevacation.com](http://www.uniglobevacation.com) or call them at 1-800-565-6562 and mention Wizard Lake Outfitting.

#### Recommended Airport Hotels:

Executive Royal Inn Hotel: 1-888-388-3932

Holiday Inn Express: 1-877-410-6681

Nisku Inn and Conf. Centre: 1-800-661-6966

## Importing Firearms

A Non-Resident Firearm Declaration Form (CAFC 909) is all you require to bring a firearm into Canada. A bow is not a firearm and requires no forms for entry. Fill out the form in triplicate before arriving, do NOT sign the form until you arrive at customs, where an officer will have to witness the signature and collect a \$25cnd registration fee. For more info and how to pre-process please visit the [Canadian Firearm Center](#)

[Click here to download the Declaration Form](#)

## Entry into Canada

If you've ever had criminal charges, even without convictions, such as a D.U.I., you might have difficulty entering Canada. [www.bordercrossing.ca](http://www.bordercrossing.ca) can help. Call Lucy Perillo at 1-800-438-7020 well in advance so clearance can be arranged. Passports are required to enter Canada.

## Exporting Game & Trophies

When game and/or trophies travel with you as personal baggage your hunting license acts as a export permit. You will also need to fill out a US Import permit 177 at customs on departure. Wolves require a CITES export permit and must be registered in Alberta before being shipped thru a taxidermist. If you prefer to leave your trophy for taxidermy with us we use Derek Stevenson of Wilderness Creations in Alberta.

## Gear List

You will need to bring- weapon, ammunition, travel case, clothing, cotton hat, gloves, rain gear, boots, day pack, range finder, flashlight, knife, camera, cell phone, towel and personal items. Sleeping bags are provided in tent camps but please bring a fleece liner and pack light. Hunter Orange is not required in Alberta. The best weapon to bring is the one you are most familiar with and comfortable shooting.
